

MOB HOTEL IN A NUTSHELL

MOB HOTEL is derived from deep reflection on the nature of hospitality, on individual wellbeing and on togetherness. It is a real utopia in a financialised hotel sector.

Founded by Cyril Auizerate, co-founder of Mama Shelter hotels, MOB HOTEL values collective intelligence and a particular form of humanity - Benevolent - that the frenzy of modern times has made us unlearn.

Hospitality and wellbeing are at the heart of our consciousness. These concepts are rooted in the fact that the hotel is constantly changing its own model. MOB HOTEL is conducive to the emergence of new ideas, the sharing of cultures, the desire for change.

MISSIONS & SKILLS

As part of its development, MOB HOTEL is seeking the BARMAN / BARMAID of its dreams: one that will be able to manage everything that entails with a generous shot of good humour...

- Welcoming guests
- Advice and promotion of products
- Taking orders
- Serving orders
- Making cocktails and various drinks to order
- Creating new drinks
- Preparing and using fact sheets
- Inventory, procurement and storage
- Arranging products and equipment
- Billing and receiving payments for services
- Sales analysis

REQUIRED PROFILE

MOB HOTEL values the experience and the human side of people. Training and years of study are not that important. We are not looking for a monotasking expert, we want someone with an independent entrepreneurial mindset and multi-potential. MOB HOTEL defines itself as an adaptive, polymorphic Swiss Army Knife. As are its staff!

If we were to imagine the Barman / Barmaid of our dreams, some things would be certain: he or she would have a ready smile, would invent out-of-this-world cocktails, would speak positively about their profession and would enjoy working in an agile way on an operating basis of equals, without worrying about going off-piste from their missions, if necessary.
